

The Period Door Company®

Manufacturers of the finest Period Wood Doors & Windows

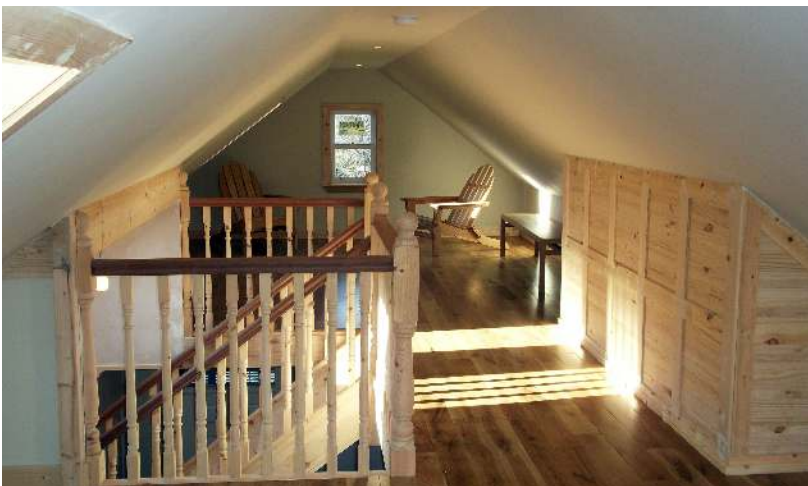

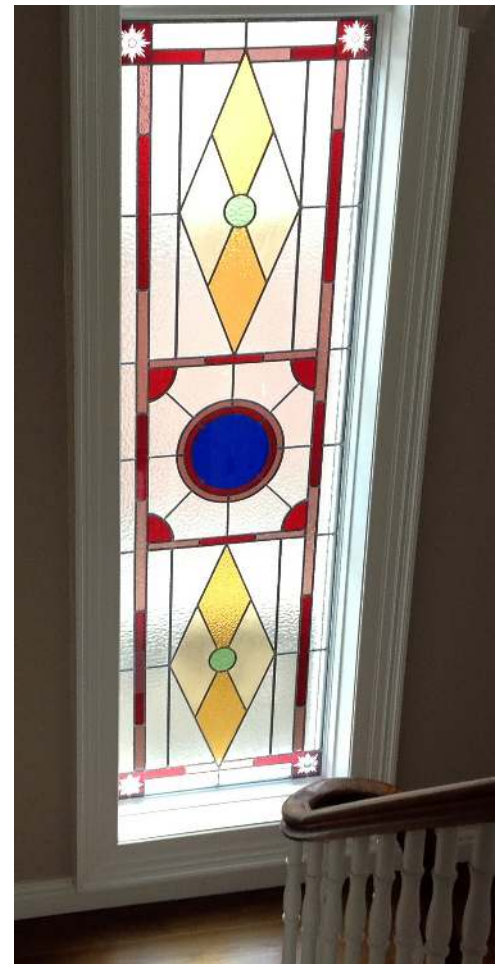

www.theperioddoorcompany.ie

We offer a total solution for your Entry Door needs, complimented by traditional casement windows and conservation box sash windows. We recognise the positive difference a designed product makes not only the look and security of your property but also the value it can add. When discussing your requirements with our sales designers, you will be able to draw over 17 years of experience ensuring success of your order.

Using the best quality materials and manufacturing is central to enabling us to make a product that we are proud to stand by. We believe that the most effective way to make our product truly sustainable is to build in longevity at every stage. This is done not only by using the best traditional methods of construction but also advanced treatments and technologies. This is why we are happy to offer guarantee of up to 10 years on a range of our products.

Our designers are always on hand for you to draw on their experience, furnishing you with technical advice and new ideas. We understand the importance of delivering and exceeding upon our customers expectations. At any one time a minimum of 60% of our orders come from repeat business and recommendations. We place an emphasis on being sensitive to your needs during installation and with our after care service. We will be happy to show you our list of customer testimonials and projects in your area.
